To whom it may concern;

I am pleased to write to you on behalf of Mark Krokos, who is applying for an Elementary Teaching Position. I have known Mark for one year. He completed his Student Teaching at Fairview Elementary in the fall of 2007. More recently, he was my substitute teacher while I was on an eight week maternity leave.

Mark is a skilled, professional teacher. He gained the confidence of the students and parents. He is a resourceful educator who is willing to go out of his way to help any student. Mark was very creative when doing various projects with the students, in order for them to fully understand the material. He was not afraid to try something that was not suggested in the teacher's manual.

Mark is a committed and competent educator. I believe Mark would be an asset to any school in need of a qualified and dedicated educator. I endorse his candidacy without reservation.

Sincerely,

Juleann Ducaji Wickiser
Second Grade Teacher
